Percussionaire® Corporation hosts an Annual Summer Seminar Program. These are held at our beautiful conference lodge on Lake Pend Oreille. Our seminars are offered at no charge. The accommodations are comfortable and the meals are the finest home cooking. In addition to the educational program, AARC CEU's are also included. The lectures relate specifically to the latest interests in the field of Respiratory Care. Our speakers have lectured at the most prestigious teaching hospitals in the world. Percussionaire® holds limited seminars each summer, with a capacity of 20 persons per seminar. Please visit our website for the registration form and detailed travel information. All attendees will fly into Spokane, Washington.

Day 1

Percussionaire® will pick up all attendees at the Spokane Airport. Detailed information is on our website.

Evening

Wine and cheese reception followed by dinner.

Day 2-3

Lectures are being held at the Bird Aviation Museum and Invention Center and also the Airlodge.

- 7 a.m.-8 a.m. Continental breakfast (buffet style)
- 8 a.m.-12 p.m. Lectures (10 a.m. break)
- 12-1 p.m. Lunch at the Bird Museum
- 1-5 p.m. Lectures (3 p.m. break)
- 6 p.m. Dinner and time to share and trade ideas with your peers and our guest speakers.

Day 4

- 8 a.m.-12 p.m. Return travel to Spokane Airport

www.percussionaire.com

We will have a complete tour of our manufacturing facility, mold shop, our collection of vintage aircraft, autos and world famous inventions.

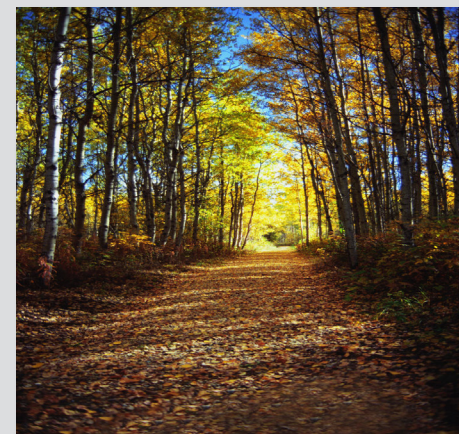

On day three of your stay at Percussionaire, we host a beautiful afternoon cruise, with wine and hors d'oeuvres prepared by our staff.

A perfect time to take pictures of the mountains and shoreline while cruising beautiful Lake Pend Oreille. Don't forget your camera!

A wonderful area to enjoy your morning walks.

We hope you enjoy your stay at Percussionaire®. This is truly an educational experience. Our seminars fill up quickly so please register as early as possible.
